Distinguished gentlemen, Attorneys Michael, Joanne, Natalia,

I write this small letter although my wish is to be present but the circumstances do not allow me .

But I am with you and I want to thank you for the help that you gave me and your support when I most needed it.

I cannot find the words for my gratitude.

I just want to tell everyone who is in the situation that I was in to not lose hope and that there is always a way out and light at the end of the path.

Thank you to the attorneys and to legal services for your unconditional help.

Thank you.

Sincerely,

With much love and gratitude.

Eloisa Reyes Lugo
